DESMOND'S MESSAGE

Hello! I'm Desmond the Dragon – Dale's mischievous mascot. Although I am a dragon, don't worry, there will be no fire breathing in sight – I'm one of the friendliest dragons you'll ever meet!

You'll find me around the ground on a matchday or inside Desmond's Den.

GUIDE TO THE GAME

Dale wear black and blue stripes when playing at home, usually with white shorts and black socks

Each match lasts for 90 minutes, which is split into two halves of 45 minutes. Between each half, the players have a 15 minute break. This is called half-time.

When the players come back out onto the pitch after half-time, they swap ends.

All the players have their own name and squad number on the back of their shirt.

Each team has 11 players, with seven players on the substitutes bench. Each team can make up to five substitutions in a game.
